PANT Adoption Event at Petco—Saturday, September 5th

Come visit us at Petco Saturday, September 5th and every first Saturday of the month thereafter. We will be located at the front of the store from 10:00 a.m. until 1:00 p.m.

Our most recent adoption event at Petco was very successful, with two of the five cats in attendance going home with their new families. New volunteers Katie Burk and Angela Maffia were very helpful talking with the public, helping to set up and break down tables and cages, and handling the cats and kittens.

Come and meet our latest available cats at Petco on Sat., September 5th from 10:00 a.m. to 1:00 p.m. In addition to the three munchkins shown below, we'll have Rosie, Mini, Poncho, and Shea. To know more about the cats available through PANT, please visit our site at www.pant.org.

1st Annual Pet Palooza and Dog Walk a Huge Success!

What a wonderful success the 1st Annual Pet Palooza and Dog Walk was! So many thanks go to Jennifer Morris of Pre-Furred Pet Sitters Professional Pet Care for all of her hard work in putting this event together along with Scenic Hudson. Poet's Walk in Red Hook was the perfect setting for such a lovely day!

And many thanks to the folks who participated, including: Kimberly Kay of Star 93.3, Tracy Krawitt of Spacey Tracy's mobile food unit, Lisa Fishler of Printz Photography, Melissa Crapser of Healing Paws; Upscale Pet Clothing by Laura PAUSE Dog Boutique; Sirius Play Dog Training-Polly Kaplan; Training and Pet Therapy by Positive Paws; and Mobile Grooming by Deb Simmions of Aussie Pet Mobile.

Enormous gift baskets were raffled off and all registrants went home with many free goodies including Frisbees, pens, pet-related trinkets and dog food. A special shout out to Rachel over at the Agway for the Science Diet donations!

Special thanks to a few of the PANT volunteers who gave up their entire Saturday to help make the 1st Annual Pet Palooza such a success. Andy Hautman, Corrie Greico and Corrie's son Donovan manned the raffle booths, and foster parents Linda and Greg Dunlap brought kittens available for adoption. The Dunlaps are just one of 20 foster families in the PANT network that we depend on so much for their dedication to so many pets in need.
